Hamle Matbaacılık ve Ambalaj San. Tic. A.Ş.

is committed to supporting sustainable forest management, preventing illegal logging, and respecting the rights of indigenous peoples and workers in the procurement, processing, and sale of forest products.

As part of the **FSC® (Forest Stewardship Council®) chain of custody**, we declare that:

- We do not use forest products from illegal sources,
- We do not purchase products from sources that violate traditional and civil rights,
- We do not procure from forests with high conservation value,
- We do not use genetically modified trees,
- We do not accept products from any source that causes forest destruction,
- We adhere to workplace rights and ethical principles.

This policy has been communicated to all our employees and shared with all relevant parties. All our suppliers are also expected to act in accordance with these principles.
